

# State Quarter Quest Activity

Materials: Access to [www.usmint.gov/kids](http://www.usmint.gov/kids) website, pencil, paper

Directions: Choose one state or U.S. territory. Find the two quarter designs from your state from our online Coin Library ([www.usmint.gov/kids/library](http://www.usmint.gov/kids/library)). Answer the following questions about the quarters.

1. What is featured on each design?
2. Why do you think this was included in the designs?
3. What new facts did you learn about your state?
4. If you could create a new quarter for your state, what would you include?
